### PARIS DEFEATS GEORGETOWN IN BASKET BALL GAMES

Paris High School opened the local basket ball season Friday night by defeating the team from Georgetown High School at the Y gymnasium, in this city, by a score of 29 to 15. The return of Burnett strengthened the already strong Paris team, while Rice and Roberts, old veterans at the game, made their presence on the team felt in more ways than one.

The excellent exhibition of team work shown Friday night by the boys should win anywhere. A successful season is looked forward to this year. "They all say" other schools will have to hurry if they win the championship, as Paris is after it strong.

The two teams lined up as follows: Paris—Rice, c; Roberts and Burnett, f; McClintock, Tucker and Dundon, g. Georgetown—Forward, c; Tate and Long, f; Bridges, Kemper and Schockart, g.

### THE WEATHER

Normal temperatures are predicted for this week by the Weather Bureau at Washington. The prediction for the week for the Ohio Valley and Tennessee is: Generally fair first part of week, followed by unsettled weather and rains or snow after Tuesday. Temperature will be normal.

The weather in this vicinity for the past few days has been cold, and penetrating. An unusual sight, though one of beauty, was the heavy frost crystals, which covered everything Sunday morning and yesterday, soon melting before the advance of the sun. The scene was one of weird beauty, the sparkling frost resembling a setting of diamonds low. The temperature reached a low mark. Our readers in Florida may console themselves with the fact that they are escaping some real winter weather by being out of this latitude.

### AMERICAN LEGION POST ADOPTS RESOLUTIONS.

The Bourbon Post, American Legion, met last Saturday night at the court house. A resolution was adopted urging our representative in Congress to use his vote and influence to prevent Berger, the Socialist from Milwaukee, who was recently re-elected to Congress, from taking his seat. At the last National Convention the American Legion recommended to Congress that Berger be deported. The American Legion stands for 100 per cent. Americanism.

A report of the last National Convention was presented by William Collins, adjutant of Bourbon Post, who was a delegate to the National Convention from this State. Plans were discussed by means of which an endeavor will be made to enroll every service man in the county. The first Friday night in each month was adopted as the regular meeting date of the Bourbon Post.

### INTERESTING NOTES FROM THE Y. M. C. A.

A New Year's reception and demonstration will be held at the Y. M. C. A. New Year's afternoon, 3 to 5 p. m. The big feature on the Athletic program will be the Midget Marathon race of one-half mile open to a any Bourbon county boy. A beautiful ribbon will be awarded to the winner of the event. Many novelty stunts are being arranged for the program in the gymnasium, including Japanese boxing, feats of strength—one man lifting several men, etc. The program will be given in the afternoon in order that the school children of the county can attend. All friends of the Association are invited and asked to bring their friends.

During the holidays the following hours have been arranged for boys 16 years old and under: Mornings—10 to 12; afternoons—2:00 to 5:30; no evening hours except Friday and Saturday. Parents are requested to see that their boys do not come at hours other than the above.

The Community Christmas tree exercises will be held at the court house on Wednesday afternoon at 3 o'clock. A special wireless came from Santa, Sunday, stating he would be there with several hundred presents for Bourbon county boys and girls, and for them to have a big tree ready for him, as he wanted all of the boys and girls to be there. Mr. Harry Kerslake will have charge of the singing, and wants all of the members of the Community Chorus to be there.

The members of the Business Men's Gym Class will defy all superstitions about Friday being a bad day to start on, for they are planning to break loose that day in the gym. Secretary Harrison, who is a graduate physical director, will conduct the class. A big attendance is anticipated.

## A Gift to the Family

## What do you want your Christmas gift to say?

YOU can't express it, can you? Nor can any one else. The things we feel most deeply never put themselves into words.

But our feelings have a language of their own—music. You can say your Christmas message with music. That is why the New Edison is a gift of deepest meaning.

Give a New Edison and you give not only the most human musical instrument, not only an exquisite piece of furniture, but you give also the very soul of music.

You can hear for yourself how faithfully, how completely the New Edison expresses that which you want to say for Christmas. Come in and let us play some of the beautiful Christmas songs for you, such as "Silent Night, Holy Night" by Frieda Hempel. Listen to the soulful appeal that falls on the ear like a gentle caress. Then you will know why the New Edison is "The Phonograph with a Soul."
